The City of Buffalo item was a late file submitted by the Commissioner of Administration, Finance, Policy & Urban Affairs to re-designate efficiency grant dollars for the purpose of purchasing a back-up generator for Shea’s Performing Arts Center. A letter from the Commissioner has been provided outlining this request.

The Superintendent of the Buffalo City School District (the “District”) or a delegate was requested to meet with this Board to discuss the recently released strategic plan and recent events which will have a financial impact on the District. Both the Superintendent and the Chief Financial Officer (“CFO”) were unable to attend today. BFSA’s staff will send a follow up email regarding potential dates and the meeting will be set based on the most accommodating date for most.
Chair Olsen introduced the proposed draft calendar of BFSA meetings for calendar year 2014 and asked that Directors inform staff of any known conflicts. The final schedule of meetings for calendar year 2014 will be brought before the full Board for a vote at the December Board meeting.

Chair Olsen noted the Board of Directors self-evaluation was also included in the Board packet. It was reviewed by the Governance Committee and approved for distribution to the full Board. This is an informational item only; no Board action is needed.

Chair Olsen offered a warm welcome to BFSA's new Administrative Assistant, Ms. Lisa Collin. Her official start date is September 30th; she is here today to observe the meeting.

Chair Olsen noted that the “Privilege of the Floor” would be extended to any member or members of the attending audience who wished to comment for the public record on any actions taken by the BFSA at the meeting.

BFSA Business
BFSA’s FY 2012-13 Independent Audit

Chair Olsen advanced the agenda to the next item for consideration: BFSA’s FY 2012-13 Independent Audit and Annual Report. The Audit, Finance & Budget Committee met earlier in the day with the Independent Auditor and discussed the audit’s findings. The Audit, Finance, and Budget Committee recommended that the full Board accept and approve the audited financial statements. Lumsden & McCormick auditor, Ms. Donna Gonser, CPA, was present and available to answer any questions related to audit.

No Director had questions for Ms. Gonser related to BFSA’s FY 2012-13 Independent Audit.

BFSA’s FY 2012-13 Annual Report

Chair Olsen noted the Audit, Finance & Budget Committee discussed the BFSA’s FY 2012-13 Annual Report earlier in the day. A draft copy was present in the Board packets for review. The Audit, Finance & Budget Committee Members recommended that the FY 2012-13 Annual Report be approved with authority delegated to the Chair, Executive Director, and Comptroller to make any changes necessary for its accurate completion. Directors would be made aware of any such changes. BFSA is required to file the Annual Report, year-end audit and By-Laws with the New York State Office of the State Comptroller (“NYSOSC”). The format used for this report was provided by the NYSOSC; the filings will also be made available to the public on the BFSA website. The report will be updated to include a preamble as drafted to address Director Floss’ comments as noted during the Audit, Finance and Budget Committee.

**City of Buffalo**  
**Redesignation of Efficiency Grants – Shea’s Performing Arts Theater Emergency Generator**

Chair Olsen introduced the request from the City of Buffalo to reallocate efficiency grant dollars to fund a back-up generator at Shea's Performing Arts Center. The Board is required to approve the use efficiency grant dollars. A copy of the letter from the City requesting the use of the funds and the accompanying draft resolution was included in the Additional Items folder for review.

Chair Olsen asked BFSA Principal Analyst Bryce E. Link to provide a summary of the item.

Mr. Link addressed the Board and provided the following summary:
- The City is not requesting a change in the amount of the approved project but rather an expansion of the scope of the project to include a back-up generator at Shea’s Performing Arts Center (“Shea’s”);
- The City had previously requested dollars to install an emergency generator in City Hall. Costs for the City Hall generator came in under budget, leaving remaining available dollars for use;
- With the expansion of the scope of the budget line, Shea's will be in compliance with the City’s Building Code and the budget line will still be under budget;
- The City’s Capital Plan did include this item; however, it was not funded.

Chair Olsen noted that the project was worthwhile.

Chair Olsen introduced Resolution No. 13-24: “Approval of Redesignation and Reallocation of Efficiency Incentive Grant Request.”

Secretary Arthur offered a motion to approve Resolution No. 13-24.

Director Floss seconded the motion.

Secretary Arthur requested that District Distinguished Educator, Dr. Judy Elliott, be in attendance at the forthcoming Special Meeting of the Board to discuss the New York State Education Department’s Distinguished Educators Program and discuss the findings of the Distinguished Educator’s Action Plan for the District. Dr. Elliott should be invited to attend the Special Meeting of the Board along with Superintendent Brown, as previously indicated.
